TUTOR MARKED ASSIGNMENT (TMA)

ट्यूटर मार्क्ड असाइनमेंट · कवर पेज

Please read before you fill this page

This is an independent practice template from NIOS Prep Kit. It is not an official NIOS form and is not issued by the board. Copy your enrolment number, subject code and study-centre (AI) code exactly from your NIOS identity card or the SDMIS portal. Check the current official instructions on nios.ac.in before you submit, because rules and dates can change.

How to fill and attach this front page

कवर पेज कैसे भरें और लगाएँ

1 Download and print, or type

Print the first page of this PDF on A4 paper and write clearly in dark ink, or open the Word (.docx) file and type the same fields. Leave no required field blank.

2 Copy your enrolment number exactly

Take the number from your NIOS identity card or the SDMIS student portal. Do not guess missing digits. A wrong enrolment number can misplace your assignment.

3 Write the correct subject name and code

Use the official subject name and the three-digit code (for example, Economics — 318). If you submit more than one TMA, use a separate front page for each subject.

4 Add your study-centre (AI) name and code

Copy both from your admission records or the portal. The study-centre code is not the same as your enrolment number.

5 Attach this sheet as page 1

Place the completed front page at the front of that subject's TMA, before your answers. Fasten the pages so they stay in order when they are handled.

6 Submit the way your study centre or portal asks

Some centres collect paper TMAs; others ask you to upload a PDF on sdmis.nios.ac.in. Follow the method and size limits in the latest official notice. Keep a photo or photocopy for yourself.

Do

- Use your own handwriting for the answers.
- Match names and codes to your NIOS card.
- Check the latest circular before uploading.
- Keep a copy of the submitted file or papers.

Don't

- Don't treat this as an official NIOS form.
- Don't copy model answers word for word.
- Don't invent an enrolment or AI code.
- Don't miss the official last date for your block.
